

International Conference on

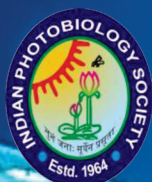

Recent Developments and Applications
in Materials Science and Engineering

RDAMSE 2025

30th – 31st January, 2025

In association with

Indian Photobiology Society,
Jadavpur University, Kolkata

&

Sripat Singh College, Murshidabad

Book of Abstract

ISBN: 978-81-983133-3-1

Editors

Dr. Dipankar Das, Asst. Prof., BSH, SurTech

Dr. Biswajit Das, Asst. Prof., BSH, SurTech

OBJECTIVE OF THE CONFERENCE

The applications of materials in the form of devices and their applications have always attracted mankind for their economic progress and social well-being in any country and indeed the world as a whole.

The scope of the International Conference on “Recent Developments and Applications in Materials Science and Engineering (IC-RDAMSE 2025)” in association with Indian Photobiology Society, Jadavpur University, Kolkata is to support research communities by empowering professors, Scientists, Researchers, Students, and Business Delegates to regularly meet and discuss topics with frontrunners in the field of materials and their recent findings.

The challenges encountered in the research problems and exploring the possibilities of the new collaborators with top academicians and scientists from the field of materials and their applications in the form of devices is also be the theme of this conference.

This conference aims to provide a platform for sharing knowledge in the field of material science and devices between budding minds and pioneer experts from research & academic institutions and industries. Participants will have ample opportunities to showcase their ideas, innovations, and research, furthering their careers and entrepreneurial endeavors.
